

FUMC Council Meeting
September 19, 2011
Trustees Report

The Trustees and VNS are working on a plan to upgrade the playground. Possibly make it larger.

The culvert installation for US 26 is in progress. It should be complete by November.

New Chairs are being purchased for the Wired Service.

New tables and chairs have been purchase for use in the Narthex during coffee time.

We now have two Zero Turn mowers for lawn care.
Next spring we need 6 or 7 new volunteers for the lawn care teams. We will be expanding our services.

A new computer for the CLC control booth has been approved.
