

FUMC Trustee Report Monday December 12th 2011

- Karl Tollefson has agreed to chair the Trustee Board; Titlow and Heman terms are up.
- The trustees were under budget for the year
- The new projector for the right side of the sanctuary has been purchased, thanks to Neil McTavish for the help
- An Ethernet upgrade is being ordered for the building that includes switches and a new firewall/gateway
- Two new computers were installed for the sound booth this past month for multimedia support
- Huston Electric dba Lafayette Sign Company presented some new sign options for our last meeting that are animated and can be seen from the new 231 road – they have investigated the county ordinances and given us a contact name should we choose to go larger than the current permits – the monuments price range will likely fall into the \$50k range, see attached rendering
- Playground work continues, thanks to all of the volunteers that have stepped up to help make it happen – the goal is to have it ready for the kids this spring, see attached plans
